Farm to Label Cannabis

We are a tight-knit team of farmers and makers, bringing you fresh, Berkshire-grown cannabis flower, concentrates, and infused products.

The Pass is a vertically integrated producer of reliable and remarkable adult-use cannabis experiences. Our mission is to support people through intelligent consumption of our cannabis flower, extractions, and infused products. We grow, process, and package a catalog of products from our Berkshire mountain campus in Sheffield, MA.

Tinctures

Tinctures are a versatile and discrete way to enjoy THC orally or added to your food and beverage, enough for a delightful buzz.

DAILY RIND 30ml

Our Daily Rind tinctures give you a fresh squeeze of citrusy flavor into whatever food or beverage you're making throughout the day. This tincture uses natural orange and lemon flavor to add some brightness to your day, both with flavor and an enjoyable high.

~250mg THC

GINGER TURMERIC 30ml

Our Ginger Turmeric tinctures have all the bite and slight sweetness you would expect. Ginger and turmeric are both natural anti-inflammatories and have added digestion benefits as well. It's just an added bonus that these will zip up the taste of anything you put them in and give you a refreshing high in the process.

~250mg THC

MINT + LEMON 30ml

Our Hint of Mint + Lemon give you a refreshing splash of, you guessed it, natural mint and lemon flavors. This citrusy delight capped off with minty freshness is enough to brighten up whatever you put it in, elevating your palate and your high.

~250mg THC
